## ABOUT RAI SCHOOL OF SCIENCES

At Rai School of Sciences, students are rigorously trained in strategic areas of chemistry and microbiology to ensure they are industry-ready and prepared for high-impact research careers in critical fields such as pharmaceuticals, food science, environmental studies, agriculture, and medical sciences. By providing exposure to the latest scientific tools and advanced laboratory techniques, students gain hands-on experience in applying biological systems to modify and optimize processes for specific industrial and research purposes. This comprehensive training equips them with the skills needed to excel in their chosen careers and contribute to innovation and progress in these vital sectors.

### VISION

---

“To establish the genesis, mix and functioning the different areas of sciences and nurturing the stakeholders for national and global needs”.

### MISSION

---

- M1- To promote educational training, learning, innovation in the emerging areas of life sciences for the students
- M2- To emphasize on the knowledge and skill to face the challenges of the academia, research, society and continuous learning.
- M3- To implant the values of ethics and quality among students for providing sustained constructive services to the society

**Dr. Pradeep Kumar Singh**  
Head

## Welcome Message from the Head of Rai School of Sciences

Dear Members of Rai School of Sciences,

I am thrilled to present the welcome message for our Rai School of Sciences Digital Newsletter, a true reflection of the dedication, hard work, and innovative spirit that define our institution.

At Rai School of Sciences, we are committed to fostering an environment that nurtures academic excellence, creativity, and lifelong learning. Our faculty, staff, and students collaborate tirelessly to advance knowledge and make meaningful contributions to various scientific fields. The achievements and activities featured in this newsletter exemplify the collective effort and commitment that drive our institution forward.

I extend my sincere congratulations to all faculty members, staff, and students for their outstanding contributions. Your dedication has not only enriched our institution but also elevated the learning experience for everyone involved. Whether through research, teaching, or extracurricular activities, your efforts have made the Rai School of Sciences a vibrant and dynamic place to learn and grow.

This newsletter also serves as a platform to share our accomplishments and future goals with a wider audience. It is an opportunity to celebrate the exceptional work being done within the Rai School of Sciences and to inspire others to pursue excellence in their own endeavors.

I would like to express special thanks to the chief editor and the editorial team for their dedication and creativity in bringing this digital newsletter to life. Your hard work in curating and presenting the stories, achievements, and updates from across the Rai School of Sciences is truly commendable.

As we look to the future, I am confident that we will continue to reach new heights and make significant contributions to the world of science. I encourage everyone to stay engaged, continue pushing boundaries, and support each other on our collective journey toward excellence.

Thank you for being a part of the Rai School of Sciences. I eagerly anticipate the wonderful things we will accomplish together in the future.

Warm regards,

Dr. Pradeep Kumar Singh  
I/C Dean  
Rai School of Sciences  
Rai University Ahmedabad.

**Mr. Rahul Parmar**

### Welcome Message from the Chief Editor

Dear Readers,

I am excited to welcome you to our Rai School of Sciences Digital Newsletter. As the Chief Editor, I am honored to introduce this platform where we can all connect, collaborate, and celebrate our achievements together.

Our Digital Newsletter serves as a central hub where we share all the latest news, successes, and insights from Rai School of Sciences. From groundbreaking research discoveries to inspiring student stories, from highlighting our esteemed faculty to showcasing upcoming events, we are here to spotlight the incredible talent and accomplishments within our community.

This newsletter embodies the vision and mission of Rai School of Sciences, showcasing our events, activities, and achievements. My hope is that it inspires students to showcase their talents and creativity.

To ensure our readers stay engaged and informed, we will continue to communicate the significant events and activities of Rai School of Sciences.

A special thank you to Dr. Pradeep Kumar Singh, Head of Rai School of Sciences, for his unwavering support, valuable insights, and feedback throughout the development of this newsletter. Your guidance has been invaluable.

I encourage each and every one of you to get involved with our Digital Newsletter. Share your stories, provide feedback, and join the conversation. Together, we can make this Newsletter a vibrant reflection of the excellence and innovation that defines us.

Lastly, I extend a heartfelt thank you to all the faculty members at Rai School of Sciences for their support in making this Newsletter a reality. Your encouragement means everything to us.

Warm regards,

Mr. Rahul Parmar

Assistant Professor

Rai School of Sciences

## ACADEMIC EVENTS & ACTIVITIES

### "Faculty members and students from RSS participated in the International Yoga Day celebration"

Rai University, 21st June - Rai University witnessed a vibrant celebration of the 9th International Yoga Day on June 21st, 2023, marked by enthusiastic participation from faculty members, students, and esteemed guests.

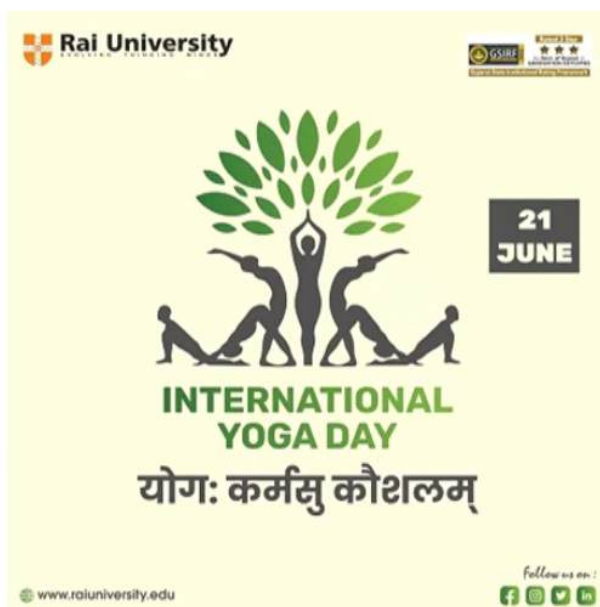

Under the theme "Yoga for Vasudhaiva Kutumbakam," the event aimed to promote the global adoption of yoga and its holistic benefits. Department heads, principals, and professors from various schools of the university graced the occasion,

demonstrating their keen interest in this ancient practice.

The event kicked off with a comprehensive introduction to Yoga Day by Mr. Dhruv Trivedi, followed by demonstrations and guidance from renowned yoga practitioners, including Yog Coach Damini Bhatt and Yoga Trainers Shivani Bhatt, Mayuri Patel, and Sangatha Mantri Patanjali Rajeshbhai Parekh.

Faculty members actively participated in warm-up exercises and various yoga asanas, emphasizing the importance of incorporating yoga into daily life to maintain harmony between the body and mind. The session, which lasted over an hour, witnessed enthusiastic engagement from all attendees.

The celebration concluded with a token of appreciation presented to the esteemed guests by Dr. Ashish Rami (Head, Rai School of Management Studies), Dr. Pradeep Singh (Principal, Rai School of Life Sciences), Dr. Sanjesh Rathi (Principal, Rai School of Pharmacy), and Dr. Nita Solanki (Head, School of Law), acknowledging their valuable support.

Under the adept leadership of NCC and Sports Instructor Mr. Kushal Rajput, alongside Administrative Head Mr. Sanjeev Bhardwaj, the International Yoga Day celebrations reached a triumphant culmination. Ms. Tamanna Khatri, Assistant Professor from The School of Law, delivered a heartfelt vote of thanks, expressing gratitude to all individuals who contributed to the success of the program.

The 9th International Yoga Day at Rai University was a testament to the institution's commitment to promoting well-being and unity among its academic community. With meticulous planning and active participation, the event successfully promoted the practice of yoga and its global significance.

## RSS Students and Faculty Participation in Rai University's Hepatitis Test Campaign Empowers Saroda Village on World Hepatitis Day

Date: 28th July 2023

Location: Rai University, Saroda Village

In a collaborative effort between Rai University, Saroda Village Primary Healthcare Center, Unnat Bharat Abhiyan, and Evolve Cub, a highly successful Hepatitis Test Campaign was organized at Rai University to commemorate World Hepatitis Day under the G20 Presidential year. The primary aim of the campaign was to raise awareness about Hepatitis and provide free screenings to the villagers of Saroda.

The campaign commenced at 10:00 AM witnessing enthusiastic participation from the villagers. A dedicated team of qualified medical professionals supported by university volunteers set up testing stations and educational booths in the heart of the village. Through interactive sessions and informative pamphlets comprehensive knowledge about Hepatitis including its causes, transmission, and preventive measures was disseminated among the villagers.

The testing process was conducted with meticulous care and confidentiality ensuring the comfort of all participants. Screening for Hepatitis A, B, and C was provided with a total of 135 villagers voluntarily undergoing the tests.

Immediate counseling and medical consultation were extended to individuals diagnosed with the infection. Identified cases were referred to the Saroda Village Primary Healthcare Center for further evaluation and treatment. Additionally, eligible individuals were offered free vaccinations to prevent Hepatitis transmission.

The success of the campaign was attributed to the proactive participation of the villagers and the collaborative efforts of Rai University healthcare professionals and volunteers. The event effectively debunked myths and misconceptions surrounding Hepatitis while raising awareness about the disease.

Rai University's Hepatitis Test Campaign on World Hepatitis Day served as a pivotal initiative in sensitizing the villagers of Saroda about Hepatitis and promoting early detection and prevention.

The endeavor exemplified remarkable community engagement and health education paving the way for a healthier future for the residents of Saroda Village.

## Rai School of Sciences, Rai University Welcomes New Students with Orientation Day Celebration

Date: 2nd August 2023

Rai University celebrated a grand Orientation Day for the Rai School of Sciences Students marking the beginning of an exciting journey for the first-year students. The event named “Aarambh” symbolized the commencement of their academic endeavors in the fields of Sciences.

The campus buzzed with warmth and vibrancy as fresh faces stepped onto the grounds, greeted with flowers fostering an atmosphere of camaraderie and enthusiasm. Faculty members and senior students took the stage introducing the university's values, mission, and the array of academic opportunities available to the newcomers. Essential information and guidelines were provided to help them navigate their academic pursuits successfully.

To add a touch of joy to the day, an entertaining Bollywood quiz and engaging fun games were organized eliciting excitement and laughter among the students. The event aimed to cultivate a sense of community and friendship among the students fostering an environment conducive to their overall growth and development.

“Aarambh” also served as a platform for talented students to showcase their skills and passions. Many students captivated the audience with their artistic flair and creativity leaving everyone enthralled and inspired.

The Orientation Day at Rai University was a resounding success setting the stage for an enriching academic year ahead. It not only familiarized the students with the university and its offerings but also provided an opportunity for them to forge bonds with their peers and faculty members. With a promising start to their educational journey the first-year students of the Rai School of Sciences were well-prepared to embark on their path to success in their respective fields.

## **Ms. Marguerite Soeteman Reijnen Shares Business Insights at Rai University"**

We are excited to share the highlights of a remarkable event that took place at Rai University, showcasing the commitment to academic excellence and knowledge sharing within our community.

On 3rd August 2023, Rai University organized a captivating Guest Lecture as part of the 'RU Talks' series featuring the esteemed personality Ms. Marguerite Soeteman Reijnen, Chairman of Executive Board of Aon Holdings and Member of G-100 Global Chair and the Global Alumni Board of Harvard Business School.

The event commenced with a ceremonial Lamp lighting and Sarasvati Vandana, setting the stage for an enlightening session ahead. Ms. Marguerite Soeteman Reijnen shared her invaluable insights and experience in Business Development, providing aspiring entrepreneurs with practical guidance to navigate the complexities of starting and growing their ventures. Her expertise extended to Customer Development and Marketing Strategy, offering students a comprehensive understanding of key strategies to accelerate business growth.

It was heartening to witness the active participation of students from Rai School of Sciences demonstrating their enthusiasm and eagerness to learn. The event also saw engagement from over 15 faculties including Heads of Departments (HODs) who contributed to insightful discussions, enriching the learning experience for everyone involved.

The expert session aimed to equip students with valuable insights into business ideation and the legal and ethical considerations essential for startups. Ms. Marguerite Soeteman Reijnen's expertise shed light on business development strategies and ethical practices crucial for success in the startup ecosystem.

The interactive Q&A session towards the end provided a platform for students to engage with Ms. Marguerite Soeteman Reijnen directly, facilitating meaningful discussions on innovations in businesses and the nuances of different education systems.

We extend our sincere gratitude to Ms. Marguerite Soeteman Reijnen for her invaluable contribution to the event. On behalf of Rai University, Dr. Anil Tomar, Provost, Rai University, Ahmedabad, presented a memento as a token of appreciation for her enriching insights.

The event concluded with a vote of thanks by Dr. Sailesh Iyer, Dean, Rai School of Engineering, expressing gratitude to all participants for their active involvement and enthusiasm.

We look forward to organizing more such enriching events to foster a culture of knowledge sharing and learning within our academic community.

## Rai University Celebrates 77th Independence Day with Joyful Spirit

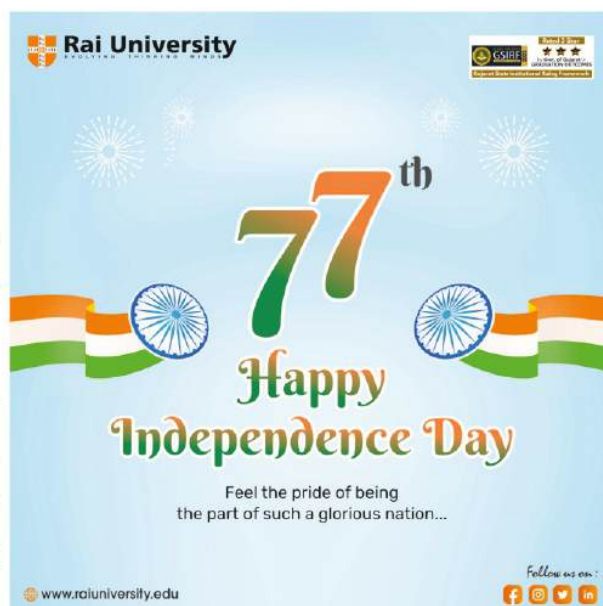

Date: 15th August 2023

Rai University celebrated India's 77th Independence Day with happiness and pride. The day was filled with colorful performances and meaningful moments reminding everyone of the importance of freedom and unity.

The celebration began with a special flag-raising ceremony led by Provost, Prof. Dr. Anil Tomar. This solemn moment remembered the brave people who fought for India's independence with gratitude.

Students then showcased their talents in a beautiful Mime performance, acting out scenes from India's history. Through their graceful movements, they brought to life the struggles and victories that shaped our country.

Adding to the festivities, there were lively folk dances representing different parts of India. The vibrant costumes and energetic moves brought smiles to everyone's faces.

The celebration ended with a lively Garba Dance, where students and teachers danced together in joyous harmony.

Rai University's Independence Day celebration was a beautiful blend of culture, unity, and happiness. It reminded us of the values that make our country special and the importance of coming together as one big family.

As the day came to a close the memories created will continue to inspire us, reminding us to cherish our freedom and work towards a brighter future hand in hand.

## Rai School of Sciences Academic Visit to Startup Expo Gujarat at Vigyan Bhavan Science City Gujarat

Date: 2nd September 2023

Rai School of Sciences (RSS) from Rai University embarked on an exciting educational journey to the "Startup Expo Gujarat" held at Vigyan Bhavan Science City, Ahmedabad. The aim was to provide students and faculty with practical exposure to the world of startups and entrepreneurship.

Led by Dr. Dhanya J.S students from RSS along with peers from Rai School of Management Studies (RSMS), School of Pharmacy (SOP), and Rai School of Engineering (RSE) set out on a quest for innovation and inspiration.

The visit kicked off with an inaugural session featuring a stimulating Q&A with Mr. Ashneer Grover founder of Bharat Pe. Mr. Grover's insights into entrepreneurship set the tone for the day inspiring students to dream big and pursue their entrepreneurial aspirations.

Throughout the expo participants engaged in interactive sessions, demonstrations, and discussions gaining firsthand experience of technology's societal applications. The event provided a vibrant platform for networking, fostering connections with startups, investors, and industry leaders.

Reflecting on the day's experiences, Dr. Dhanya J S and the faculty expressed gratitude to the participants for their enthusiasm and engagement. The visit underscored the importance of startups in driving innovation and economic growth, inspiring students to harness their creativity and drive.

With over 130 students actively participating, Rai School of Sciences emerged as a hub of innovation and entrepreneurship. The visit exemplified Rai University's commitment to providing transformative learning experiences that prepare students for success in a dynamic world.

For more updates and insights from Rai School of Sciences, stay tuned to our digital platforms and newsletters.

## Rai School of Sciences Celebrates Teacher's Day with Gratitude and Enthusiasm

Date: 5th September 2023

Rai School of Sciences (RSS) at Rai University radiated with warmth and gratitude as it celebrated Teacher's Day on 5th September 2023. The occasion, commemorating the birth anniversary of Dr. Sarvepalli Radhakrishnan, former President of India, was a heartfelt tribute to the dedicated mentors who shape the lives of students.

In a departure from the usual festivities, RSS decided to make this Teacher's Day truly special. Instead of solely appreciating teachers students took on the role of educators for the day. They conducted mini-lessons on various subjects showcasing their talent and dedication to learning.

The day commenced with a heartfelt gathering at the Rai University Seminar Hall where teachers, Provost and the Registrar came together for a joyous cake-cutting ceremony. This symbolic gesture conveyed the deep gratitude and respect students hold for their mentors.

Adding a touch of fun and camaraderie a series of engaging games and activities were organized for teachers to enjoy together. From Musical Chairs to an exciting Treasure Hunt these activities fostered a sense of unity and lightheartedness among the faculty members.

Throughout the day, students expressed their appreciation through heartfelt messages, cards and small tokens of gratitude. Colorful posters adorned the walls, showcasing the affection and respect students have for their teachers. In addition to the celebrations students prepared captivating cultural performances including songs, dances, and skits dedicated to their teachers.

These performances served as poignant expressions of gratitude highlighting the profound impact educators have on shaping the lives of their students. The celebrations culminated in a beautiful display of unity and appreciation reaffirming the special bond between teachers and students at Rai School of Sciences.

## Exciting Pre-Janmashtami Party Lights Up Rai School of Sciences, Rai University with Fun and Tradition

Date: 6th September 2023

The Reet Club of Rai University organized a lively celebration ahead of Janmashtami, bringing the festive spirit to life with traditional activities such as Dahi Handi, Garba dance, and participants dressed in Gopi and Gwala outfits. The event was a joyful blend of culture and devotion.

The day kicked off with the Dahi Handi competition, where teams eagerly formed human pyramids to break the suspended pot of yogurt. This playful act paid homage to Lord Krishna's childhood mischief. Participants dressed in vibrant Gopi and Gwala attire added authenticity to the celebration.

After the Dahi Handi contest the campus resonated with the rhythmic beats of the dhol as students, faculty and staff joined in the Garba dance. Adorned in traditional attire they swayed and spun showcasing their enthusiasm for the festival.

The Reet Club's Janmashtami celebration not only honored Lord Krishna's birth but also celebrated the diverse culture of India. It was a day of cultural immersion, unity, and festivity that left lasting impressions on all who attended.

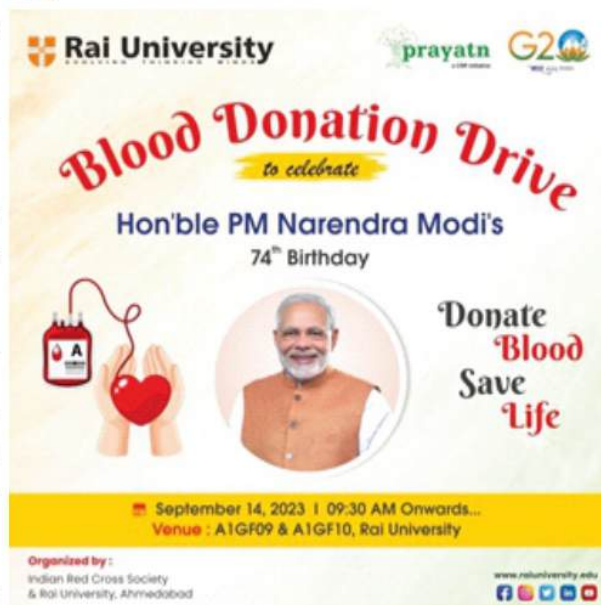

## Rai University's Evolve Club Hosts Blood Donation Drive on PM Modi's Birthday

In a heartwarming initiative, Rai University's Evolve Club organized a Blood Donation Drive to mark the 74th birthday of Prime Minister Narendra Modi. Collaborating with the Indian Red Cross Society, the university aimed to contribute to the noble cause of blood donation.

Two diligent students Vivek Roy and Vijay Raval took the lead in organizing the drive. Their efforts were recognized and applauded by the university for their dedication and commitment.

The event witnessed an impressive turnout from students and faculty of Rai School of Sciences, all uniting to support this important cause. The donated blood holds immense significance in potentially saving lives during emergencies.

Rai University continues its mission of promoting social responsibility and humanitarian values among its members. This initiative, held in honor of PM Modi's birthday, reflects the university's steadfast commitment to these ideals.

## Rai University Celebrates Hindi Diwas with Spectacular "Hindi Samvad" Event

In a vibrant celebration of linguistic diversity Rai University Evolve club joined hands with IIC, SSIP, and RSMS to commemorate Hindi Diwas on September 14, 2023, during the G20 Presidential year.

The "Hindi Samvad" event, held offline captivated the hearts of 70 students and 10 faculty members igniting a fervor for the Hindi language. Participants indulged in an array of activities from poetic recitations to insightful essays all aimed at promoting and cherishing Hindi as one of India's official languages.

The festivities witnessed a fusion of creativity and intellect with 40 students enthusiastically engaging in the Hindi Poem Recitation and Elocution Competition. The event, marked by spontaneous registrations, showcased the students' spontaneous expressions and profound understanding of Hindi.

Amidst the spirited competition, Mahek Jaiswal and Sayli Saw emerged victorious in the Poem Recitation while Priya Rajput and Abhishek Singh captivated the audience with their eloquence in the Elocution Competition.

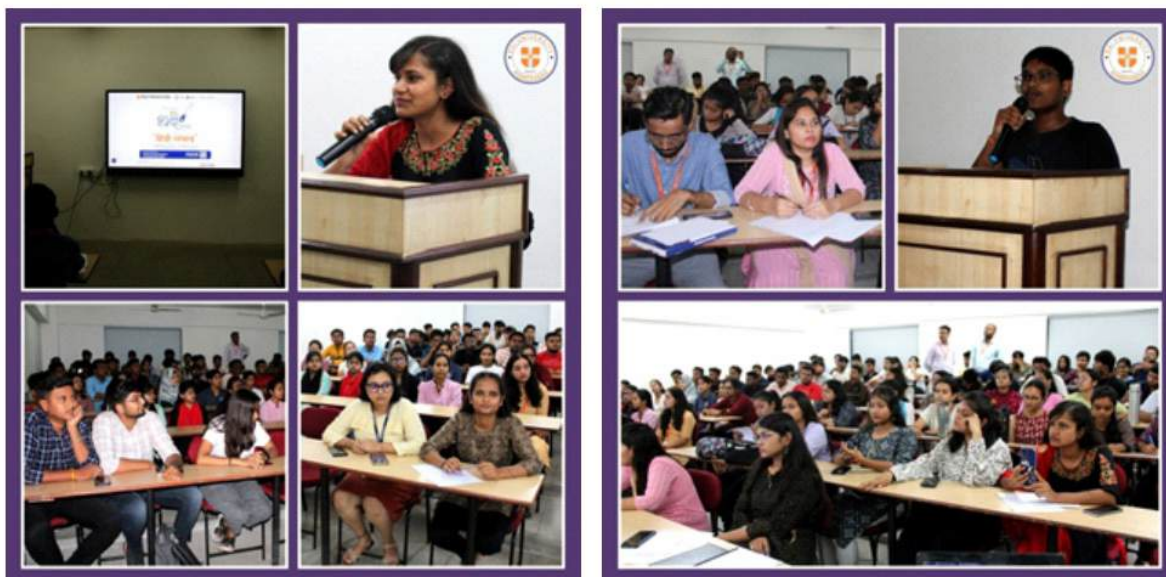

This celebration not only underscored the significance of Hindi Diwas which has been a beacon for promoting the language since its inception in 1953 but also fostered a sense of unity and pride among participants.

As Rai University continues to champion linguistic diversity events like "Hindi Samvad" serve as a testament to its commitment to nurturing cultural heritage and inspiring the next generation to embrace their roots.

For more enriching updates and insights, stay tuned to Rai School of Sciences' Newsletter Magazine.

## Rai School Of sciences Students Celebrate Microorganisms Day with Fun and Learning

On September 18th, Rai School of Sciences buzzed with excitement as students gathered to celebrate Microorganisms Day. The event aimed to teach everyone about the tiny creatures that play big roles in our lives

### A Journey into the Microscopic World:

On the auspicious occasion of Microorganisms Day, Rai University came alive with the buzz of excitement and curiosity. Led by the dynamic Zeel Gojiya, a student of M.Sc. Microbiology, the celebration commenced with a heartfelt welcome that set the tone for a day filled with learning and fun.

### Activities That Sparked Curiosity and Creativity:

Our students, the heartbeat of Rai University, embraced the opportunity to showcase their talents and deepen their understanding of microorganisms through a series of engaging activities.

**Rai University** SSIP EVOLVE

## International Microorganism Day

Sep 18, 2023  
09:30 am onwards  
@ Seminar Hall, Rai University

*Event Schedule*

- Petri Art
- Micro-Antakshari
- Artwork of Microorganisms

Organized by:  
Department of Life Science, Rai School of Sciences  
Rai University, Ahmedabad

www.raiversity.edu

**Petri Art Competition:**

In this visually captivating competition, students demonstrated their prowess in isolating microorganisms and transforming petri dishes into intricate works of art. Each design was a testament to the beauty and complexity of the microscopic world.

**Micro Antakshari:**

Knowledge flowed freely as students engaged in a lively game of Micro Antakshari, exchanging terms and words related to microbiology. Laughter echoed through the halls as participants showcased their depth of knowledge with enthusiasm.

**Artwork of Microorganisms:**

The artistic talents of our students shone brightly in the Artwork of Microorganisms competition. Through their drawings, they offered unique perspectives on the unseen world of microorganisms, captivating viewers with their creativity and skill.

**Celebrating the Wonders of Microorganisms:**

Beyond the excitement of the day's activities, Microorganisms Day served as a powerful reminder of the profound impact that these tiny beings have on our lives. From their role in maintaining ecological balance to their contributions to scientific research and medicine, microorganisms are truly the unsung heroes of the natural world.

**A Call to Action:**

As we reflect on the success of Microorganisms Day at Rai University, let us not forget the important lessons learned. Let us continue to nurture our curiosity, deepen our understanding, and celebrate the wonders of the microscopic world. Together, we can pave the way for a future where scientific exploration knows no bounds.

## Joyful Celebrations as Rai University Marks Ganesh Chaturthi

We're excited to share the wonderful festivities of Ganesh Chaturthi at Rai University! Ganesh Chaturthi is a special festival celebrating the birth of Lord Ganesha, and everyone at our university celebrated it with joy.

Date-September 25, 2024

The celebration started with a special prayer led by our Provost. We did traditional things like lighting lamps, saying prayers, and offering gifts to Lord Ganesha's statue.

It was a very peaceful and important moment.

After the prayer, we all did something called 'Anjali.' This is where we put our hands together and asked for Ganesha's blessings. Then, we shared sweets and fruits with everyone, which made us feel happy and close.

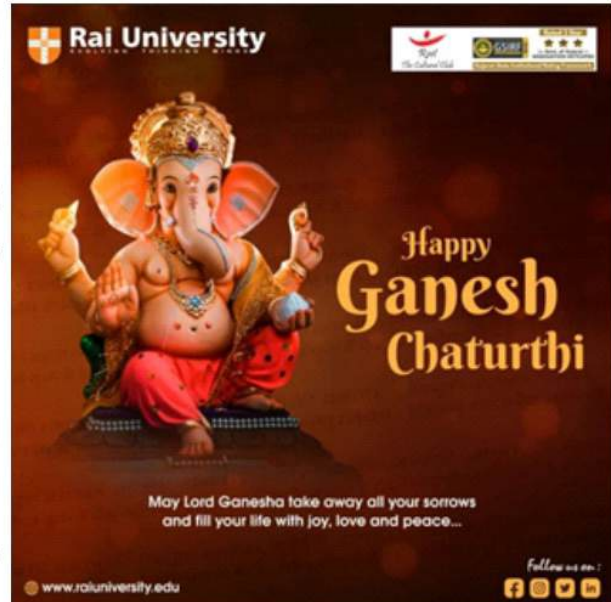

Lord Ganesha stayed with us for five days, so every morning, we gathered to pray to Him. It felt nice to start our day like this.

The biggest part of the celebration was when we said goodbye to Lord Ganesha. We had a big parade and sang and danced to show our love. It was so much fun!

Afterward, we had more fun with music, dance, and yummy food. We all ate together and talked which made us feel like one big family.

This celebration was a great way for us to show our love for Lord Ganesha and each other.

We want to say a big thank you to everyone who helped make it happen.

## FACULTY ACHIEVEMENT

### Dr. Pradeep Kumar Singh

Head and Assistant Professor  
Rai School of Sciences, Rai University

### Dr. Pradeep Kumar Singh Completes Refresher Course in Life Sciences With Grade A

We are delighted to share that Head of Rai School of Sciences Dr. Pradeep Kumar Singh has successfully participated in the RUSA Sponsored Online Refresher Course in Life Sciences. This prestigious course was conducted from May 29 to June 10, 2023 and we are proud to announce that he achieved a Grade A.

Dr. Pradeep Kumar Singh accomplishment is a testament to his unwavering dedication to continuous learning and academic excellence. His success not only reflects his personal commitment but also highlights the high standards upheld by Rai University.

As the Head of Rai School of Sciences Pradeep Kumar Singh sets a stellar example for both faculty and students inspiring us all to strive for greatness in our academic and professional endeavors.

Congratulations to Pradeep Kumar Singh for this remarkable achievement and for exemplifying the spirit of excellence at Rai School of Sciences!

**Dr.Dhanya J S**

Assistant Professor  
Rai School of Sciences  
Rai University

**Dr. Dhanya J S Participates in International Lecture on Research Article Writing**

Date: 5th June 2023

a remarkable display of academic prowess Dr. Dhanya J S, Assistant Professor at Rai School of Sciences, has emerged as a key figure in the International Lecture titled "Standard Styles and Methods in Research Article Writing." This prestigious event orchestrated by the Department of Research & Publications, A2Z EduLearningHub LLP on 5th June 2023.

Dr. Dhanya J S active involvement in this scholarly discourse illuminates her unwavering dedication to advancing the frontiers of knowledge and refining her mastery in research article composition. Her notable contribution not only amplifies the academic excellence within our institution but also underscores her relentless pursuit of professional development.

Rai School of Sciences proudly congratulates Dr. Dhanya J S for her stellar participation in this monumental academic affair. Her exemplary engagement epitomizes the unyielding commitment of our faculty members to the highest standards of research and education.

### **Celebrating Academic Engagement: Dr. Dhanya J S Completes Three-Day Research Writing Training**

Dr. Dhanya J S Assistant Professor at Rai School of Sciences, Rai University has been awarded a Certificate of Appreciation for her esteemed support as a Convener committee member in the 6-Days Virtual Faculty Development Programme on "Environmental Management for Sustainable Development."

This program, organized by Rai School of Sciences, Rai University, Ahmedabad, Gujarat, took place from 29th January to 3rd February 2024. The certificate highlights Dr. Dhanya J S significant contribution to the success of the event.

### **Dr. Dhanya JS Completes One-Week Faculty Development Programme on Creating MOOCs**

Date: 21 June 2023

In an extraordinary display of academic prowess, Dr. Dhanya JS, Assistant Professor at Rai School of Sciences, has garnered acclaim for her outstanding performance in the domain of online pedagogy.

Under the esteemed aegis of the Teaching Learning Centre at Ramanujan College, University of Delhi, operating under the auspices of the Ministry of Education Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching Dr. Dhanya JS embarked on a transformative journey through a one-week Faculty Development Programme. This pioneering program, titled "How to Create Your Own MOOCs" aimed at equipping educators with the skills and knowledge essential for crafting immersive and captivating Massive Open Online Courses (MOOCs).

Hailing from Rai University, Ahmedabad, Gujarat, Dr. Dhanya JS showcased unparalleled dedication and expertise throughout the intensive week-long program, conducted from June 15 to June 21, 2023. Her unwavering commitment to professional development and pedagogical innovation culminated in the prestigious attainment of a Grade A certification marking her as a trailblazer in the burgeoning realm of online education.

Dr. Dhanya J S remarkable achievement not only underscores her personal dedication to advancing pedagogical practices but also reaffirms Rai School of Sciences steadfast commitment to nurturing a culture of continuous learning and academic excellence among its esteemed faculty members.

Her success stands as a beacon of inspiration to both peers and students, reaffirming Rai School of Sciences position as a pioneering institution at the vanguard of academic innovation and educational excellence.

### **Rai School of Sciences Applauds Dr. Dhanya J S Participation in International Webinar**

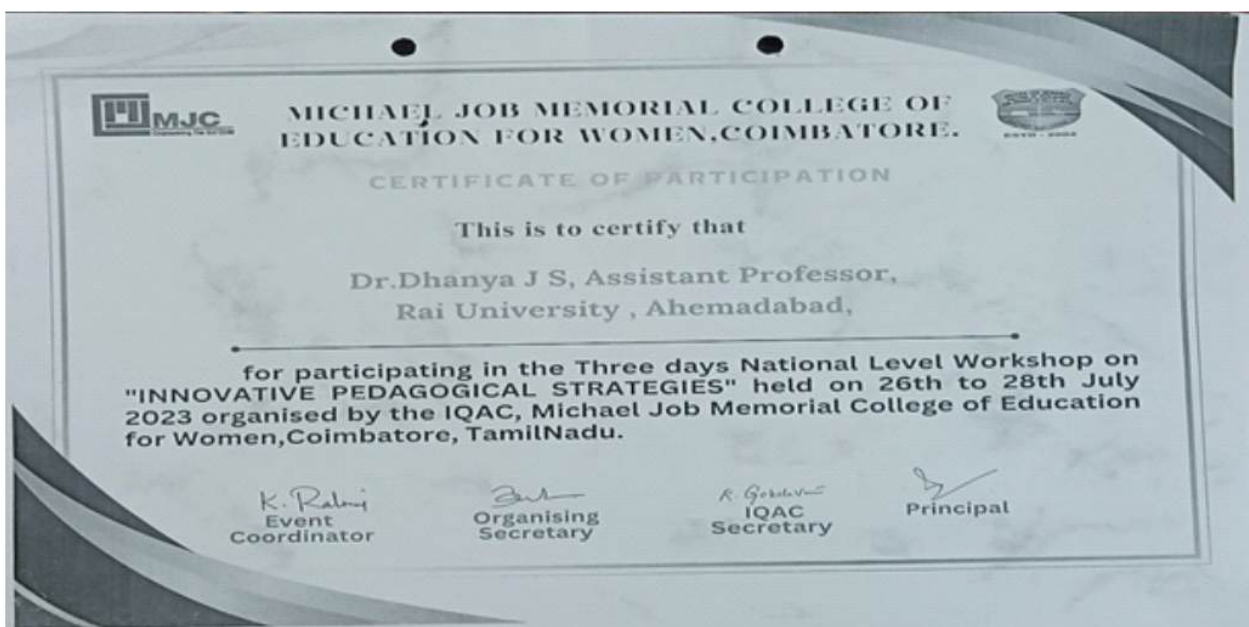

Date : 17th July 2023

We are delighted to announce the remarkable achievement of Dr. Dhanya J S, Assistant Professor at Rai School of Sciences. Dr. Dhanya J S recently showcased her commitment to academic excellence and professional development by participating in the prestigious International webinar titled "Applications of ChatGPT in Academics and Research."

Organized by the esteemed Department of Research & Publications, A2Z EduLearningHub LLP, this enlightening webinar delved into the transformative potentials of ChatGPT in the realms of academia and research. Dr. Dhanya J S active participation not only demonstrated her dedication to staying abreast of cutting-edge technologies but also highlighted her commitment to advancing scholarly discourse.

This certificate of participation serves as a testament to Dr. Dhanya J S continuous pursuit of knowledge and her invaluable contributions to the academic community. We extend our heartfelt congratulations to Dr. Dhanya J S on this remarkable achievement and wish her continued success in her academic endeavors.

### **Dr. Dhanya J S Garner's Acclaim for Participation in National Level Workshop on "Innovative Pedagogical Strategies"**

In a notable recognition of her dedication to innovative pedagogy, Dr. Dhanya J S, Assistant Professor at Rai School of Sciences, Rai University, Ahmedabad has been awarded a Certificate of Participation. The accolade was conferred upon her for her active involvement in a three-day National Level Workshop on "Innovative Pedagogical Strategies." The workshop which took place from July 26th to 28th, 2023 was organized by the Internal Quality Assurance Cell (IQAC) of Michael Job Memorial College of Education for Women in Coimbatore, Tamil Nadu.

Dr.Dhanya J S commitment to advancing educational methodologies stands as a testament to the ethos of Rai School of Sciences, which prioritizes empowering educators to shape the future of education. Her participation in the workshop not only underscores her personal dedication but also highlights Rai School of Sciences proactive engagement in academic enrichment beyond its own campus.

The workshop itself aimed to explore and promote innovative approaches to teaching particularly focusing on strategies that enhance learning outcomes and foster creativity among students. Dr. Dhanya J S active involvement in such initiatives showcases her as a forward-thinking educator dedicated to nurturing the next generation of learners.

**Dr. Dhanya J.S. Impresses as Judge at Engineer Day Event**

We are delighted to highlight the recent accomplishment of Dr. Dhanya J.S. an Assistant Professor at Rai School of Sciences.

On September 15, 2023, Dr. Dhanya J.S. had a big role at the "Engineers' Day - InnoVision: Engineering Excellence Exhibition" Model Presentation.

She was a judge Her knowledge, dedication, and fairness were super important for the event success. Dr. Dhanya J S. gave really helpful advice and carefully looked at each presentation to help everyone do their best and learn and grow.

Dr. Dhanya J.S. dedication shows what Rai School of Sciences is all about encouraging students to work hard and be creative. When our teachers like Dr. Dhanya get involved in events like this, it makes the institution look even better and makes learning more exciting for everyone.

We want to say a big thank you to Dr. Dhanya J.S. for doing such an amazing job at Engineer Day.

## Dr. Sureshkumar K. Dhakhda

Assistant Professor  
Rai School of Sciences

### Dr. Suresh Dhakhda Successfully Participates in 'Writing Effective Proposal for Research and Funding Opportunities' FDP

We take immense pride in recognizing Dr. Suresh Dhakhda Assistant Professor at Rai School of Sciences for his active engagement in the One Week Faculty Development Programme titled "Writing Effective Proposal for Research and Funding Opportunities." This enriching program, held from July 10, 2023, to July 14, 2023, was meticulously organized by Rai School of Management Studies in collaboration with the Internal Quality Assurance Cell.

Dr. Suresh Dhakhda enthusiastic participation underscores his unwavering commitment to professional growth and the enhancement of his expertise in research proposal writing. Through his active involvement in this initiative, Dr. Suresh Dhakhda has demonstrated a profound interest in harnessing research opportunities and enriching the academic community. We extend our warmest congratulations to Dr. Suresh Dhakhda for his dedication and proactive pursuit of knowledge in research proposal composition.

Rai School of Sciences remains steadfast in its mission to cultivate a culture of continuous learning and foster the professional development of its esteemed faculty members.

Congratulations once more to Dr. Suresh Dhakhda on this remarkable achievement!

## Ms. Annapurna Saboji

Assistant Professor  
Rai School of Sciences

### Ms. Annapurna Saboji Successfully Participates in 'Writing Effective Proposal for Research and Funding Opportunities' FDP

We're really proud of Ms. Annapurna Saboji for joining the One-Week Faculty Training Program on "How to Write Effective Proposals for Research and Funding." This program, from July 10 to July 14, 2023, was all about learning how to write better proposals for research and funding. It was organized by Rai School of Management Studies along with the Internal Quality Assurance Cell.

Ms. Annapurna Saboji showed great enthusiasm in taking part which tells us she's really committed to getting better at writing research proposals. By being part of this program she's shown how much she cares about finding new research opportunities and making the academic world better.

We want to give a big congratulations to Ms. Annapurna Saboji for putting in the effort to learn more about writing research proposals. Rai School of Sciences is always working to help its teachers grow and learn more so well done to Ms. Annapurna Saboji for being part of that!

Congratulations again to Ms. Annapurna Saboji for this amazing achievement!

**Mr. Vardan Parmar**

Assistant Professor  
Rai School of Sciences,  
Rai University

**Mr. Vardan Parmar Successfully Participates in 'Writing Effective Proposal for Research and Funding Opportunities' FDP**

Rai School of Sciences is proud to announce that Mr. Vardan Parmar Assistant Professor At Rai School Of Sciences has successfully participated in the One Week Faculty Development Programme on "Writing Effective Proposal for Research and Funding Opportunities." The program was held from July 10, 2023 to July 14, 2023 and was organized by Rai School of Management Studies in collaboration with the Internal Quality Assurance Cell.

Mr. Vardan Parmar involvement in this program highlights his commitment to professional development and improving his skills in research proposal writing. His participation demonstrates a strong dedication to seizing research opportunities and contributing to the academic community.

We congratulate Mr. Vardan Parmar for his dedication and efforts in enhancing his knowledge and expertise in research proposal writing.

Rai School of Sciences remains dedicated to fostering a culture of continuous learning and supporting the professional growth of its faculty members.

Congratulations again to Mr. Vardan Parmar on this notable achievement!

## Dr. Ruchi

Assistant Professor  
Rai School of Sciences,  
Rai University

### Dr. Ruchi Successfully Participates in Writing Effective Proposal for Research and Funding Opportunities FDP

Rai School of Sciences Proudly Presents:

Certificate of Participation

We take immense pride in recognizing Dr. Ruchi Assistant Professor at Rai School of Sciences for her active engagement in the One Week Faculty Development Programme titled Writing Effective Proposal for Research and Funding Opportunities. This enriching program held from July 10 2023 to July 14 2023 was meticulously organized by Rai School of Management Studies in collaboration with the Internal Quality Assurance Cell. Dr. Ruchi enthusiastic participation shows her strong commitment to professional growth and improving her skills in research proposal writing. By taking part in this initiative Dr. Ruchi has shown a deep interest in using research opportunities and contributing to the academic community. We warmly congratulate Dr. Ruchi for her dedication and active pursuit of knowledge in research proposal composition.

Rai School of Sciences remains committed to fostering a culture of continuous learning and supporting the professional development of its faculty members. Congratulations once again to Dr. Ruchi on this remarkable achievement!

## Dr. Kishankumar Amrutlal Patel

Assistant Professor

### Ms. Binal Rahate's Participation in Ten-Day Faculty Development Programme

We are proud to announce that Ms. Binal Rahate, Assistant Professor at Rai School of Sciences participated in a prestigious Ten Day Faculty Development Programme on "Advanced Research Methodology." This program sponsored by the Indian Council of Social Science Research (ICSSR), was organised by the Department of Business Management at RBVRR Women's College, Hyderabad from May 30, 2022, to June 9, 2022.

Ms. Rahate's participation in this advanced program underscores our commitment to continuous professional development and academic excellence. The training covered cutting-edge research methodologies, equipping participants with the latest tools and techniques essential for high-quality research in social sciences.

Prof. Renuka Sagar, Director of the MBA Programme at RBVRR Women's College, and Dr. Achyutha Devi the Principal led the programme with invaluable insights and expertise fostering an enriching learning environment. This initiative not only enhances individual faculty members' skills but also contributes to the overall academic vigor of Rai School of Sciences.

We extend our congratulations to Ms. Rahate for her dedication and achievement. Her participation exemplifies the proactive approach our faculty takes towards advancing their knowledge and expertise ultimately benefiting our students and the academic community at large.
