

ACADEMIA-INDUSTRY COLLABORATION

This Collaboration is made and executed on 30th July, 2021

BETWEEN

Rai University Ahmedabad, A leading research driven university Established by Gujarat State Legislature under Gujarat Act No. 12 of 2012, Rai University provides world class education and empowering opportunities for all sections of society.

AND

Kanoria Hospital & Research Centre (KH) was established in 1987 at Bhat Village, Dist.Gandhinagar,Gujarat catering to the needs of neighboring rural population. KH is unique and premier of its kind in the state of Gujarat providing Alcohol and Drugs de-addiction services in particular and even other types of multiple addiction. KH regularly conducts free camps not only at its premises but also in various small towns and villages of Gujarat State from time to time mainly in Psychiatry/Drug & Alcohol De-addiction and also for family planning etc.

Rai University and Kanoria Hospital recognized that mutual collaboration, given each other's strengths in research and facilities thereof will mutually benefit the Students, Research Scholars and Faculties of Rai University and the experts and officers of Kanoria Hospital.

Now therefore the parties here have agreed to enter into a Collaboration considering the long term benefits of sharing the knowledge between the Organizations and establish a vibrant academic-industry collaboration, by undertaking joint activities in their respective fields of research, as below (here in after referred to as "Activities").

It is mutually agreed by and between the parties as under.

1.0 Activities

- I. Seek mutual advice and support in planning and executing programs promoting excellence in respective areas of research and education.
- II. Encourage the regular / visiting faculty members and officers of either organization to visit other organization for giving talks in lectures/Programmer.
- III. That the faculty/staff, research fellows registered for Ph.D. degree and Students may visit the other institution for a short period in connection with their research work under joint collaboration program.
- IV. Selected students of U.G, P.G. and PhD in the respective areas of specialization of University will be allowed at a time for project work at Kanoria Hospital. Students will work in the areas of mutually agreeable areas identified by the both organizations.
- V. Both the parties agree to hold/conduct, whenever feasible, national events, joint workshops, conferences, training programs within the areas of mutual interest.
- VI. To exchange faculty/technical personnel on fulltime/part time basis for a limited period not exceeding one year at a time for the purpose of implementation of joint tasks within the areas of co-operation.

2.0 coordinating Committee

There will be a coordinating committee consisting of Registrar – Rai University and Director – Kanoria Hospital and if necessary, two additional members from each organization who will be responsible for the effective implementation of the MoU.

If any charges / expenses are to be paid by either organization for the facilities provided by the other organization, such will be decided by coordinating committee by a separate 'Rentals and Services Agreement' which also may be modified from time to time as per the need.

3.0 Disclosure

Rai University and Kanoria Hospital, on their respective website and business communications, make a mention of this research collaboration. Any referred communication will be sent for review and approval by the coordinating committee.

4.0 Secrecy

It is hereby agreed that Rai University and Kanoria Hospital shall keep information and data collected completely secret.

5.0 Duration

The Collaboration is valid for a period of 60 months from date of signing.

6.0 **General**
