

**3:4:2:**Total number of Patents awarded during the last five years

DVV Input	HEI Response
1 DVV partner observation : the following patent application numbers have been verified in <a href="https://iprsearch.ipindia.gov.in/PublicSearch/PublicationSearch/Search">https://iprsearch.ipindia.gov.in/PublicSearch/PublicationSearch/Search</a> and the results are as under :Dr. Sailesh Iyer 202321026128 ; Ms. Poonam Chakravarty 202321027991 ; Mr. Shirshendu Dutta 202321082026 ;Mr. Yashesh Anilkumar Darji 202321069404 – PUBLISHED 2.	The result of rechecking is in parallel with DVV suggestions. The DVV suggested input for 33 numbers of patents is recommended.
2. Since data is large DVV suggestion for HEI is to verify all the patent application and include only those whose status is showing GRANTED.	
3. HEI to recheck the claim for the above for validation of the metric 3.4.2
